

PRESS RELEASE

FOR IMMEDIATE RELEASE:

Waterproof Panel-Mount Touch Screen Ideal for Wash-Down Environments

(Arlington Heights, IL) - **TRU-Vu** Monitors has just released a 17" touch screen in a waterproof panel-mount enclosure. The [VMWTRPM-17C-SS](#) is ideal for use in wash-down environments, especially food processing plants, or any other manufacturing or processing facilities which must withstand frequent water spray.

The new [VMWTRPM-17C-SS](#) provides a cost-effective solution for process monitoring and machine control in challenging industrial environments. It features a 17" screen, 1280 x 1029 resolution, 5-wire resistive touch screen, VGA and DVI inputs, and a NEMA 4X waterproof stainless steel panel-mount enclosure.

The [VMWTRPM-17C-SS](#) is perfectly suited for use in food processing, packaging, industrial manufacturing, process control and machine monitoring applications. It is also ideal for use in vehicles, museums, amusement parks, security systems and marine systems. It is backed by a full 3-year warranty.
