- NEMA 4 / 4X Waterproof Enclosures
- Steel or Stainless Steel Enclosure
- Ideal For Manufacturing and Food Processing Plants
- High Resolution: 1280 x 1024 (SXGA)
- Lockable On-Screen Display Controls
- Can Be Customized to Meet Your Needs
- Optional Panel-Mount Version
- 3-Year Warranty

The VMWTR-17 Series are industrial-grade 17" touch screens in waterproof enclosures. The 5-wire resistive touch screen can be activated via almost any object – gloved finger, stylus, pointer, etc. They are available with a powder-coated steel or stainless steel enclosure, making them ideal for washdown environments in manufacturing or food processing plants.

TRU-Vu industrial LCD monitors are specifically designed for use in demanding industrial, commercial, medical and A/V applications. Every TRU-Vu monitor utilizes industrial-grade components and high-end LCD panels not found in retail/consumer-grade monitors. This ensures superior image quality, improved performance and greater durability.

Specifications
