

## L07

### 7 Inch LCD Monitor

- 7 inch Monitor
- Resolution: 800 x 480
- Auto Re-Start After Power Loss
- HDMI and Composite (RCA or BNC) Inputs
- Aspect Ratio: 16:9 Native (4:3 Selectable)
- Backlit OSD Buttons

## 7" SMALL HDMI MONITOR

Do you need a small HDMI monitor? The L07 are 7 inch monitors which offer exceptional image and dependable performance. These small monitors are ideal for mobile, in-vehicle video systems, law enforcement, public transportation and other imaging applications. Our 7 inch HDMI monitor is also perfect for use in manufacturing and other applications requiring a great image in a small 16:9 widescreen monitor.

### OPERATES AS EITHER 4:3 OR 16:9 ASPECT RATIO

This 7 inch HDMI monitor also offers great flexibility. The standard 16:9 aspect ratio can also be switched to operate as a 4:3 aspect ratio monitor. This then addresses both sides of the 4:3 vs 16:9 aspect ratio debate.

### 7" MONITOR WITH ANALOG AND DIGITAL INPUTS

Additionally, this small monitor provides both analog and digital inputs. This provides maximum flexibility. The HDMI input satisfies the need for a digital video 16:9 video signal. The Composite BNC input accepts analog video signals, useful for legacy systems.

TRU-Vu specializes in providing the widest range of monitors and touch-screens for challenging environments and demanding applications. We strive to provide the very best solution for whatever your industrial or environmental struggle may be. If we don't stock it, we can probably modify or custom-build it for you.

### SMALL LCD MONITORS BENEFIT BIG INDUSTRY

Our 7 inch to 12 inch industrial monitors and touch screens are deployed in a wide range of industries. This includes on ships, in military and first-responder vehicles. Aircraft, pipeline inspection systems, and mass transit vehicles benefit greatly. Additionally, kiosks, medical carts, oil and gas, cranes, drones and UAV's consequently prefer industrial grade monitors. Moreover, a variety of industries benefit from our vast array of in stock and customized monitors.
