Monitor Mounts - Tabletop Stands & Wall Mount Brackets - Power Supplies

TRU-Vu Monitors offers several power supplies to power your monitors via 90-240VAC. Please be sure to check for correct amperage and voltage for your specific monitor. Contact us for assistance if needed.

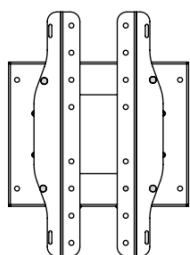

TRU-Vu Monitors also offers a wide range of LCD monitor accessories for its industrial-grade monitors and touch screens. For example, **monitor mounts** include waterproof VESA mounts, monitor stand, monitor arm mount, and wall mount monitor arms. Additionally, we provide monitor wall mount brackets, outdoor monitor mounts, and waterproof monitor mounting brackets. Furthermore, some are corrosion resistant for outdoor use. We even have portrait mode brackets for you. For more information on VESA wall mounts (Video Electronics Standards Association) - visit www.vesa.org Learn more about products for screen cleaning, or even adapters.

Additionally, TRU-Vu also provides a wide range of monitor stands, monitor bases and tabletop stands. These accommodate monitors from 8.4" to 32".

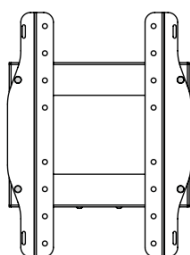

Our 17" and 19" Rack Mount brackets enable you to easily convert a standard 17" or 19" LCD monitor into a rack mount monitor, at a fraction of the cost.
