OUTDOOR TV MOUNTING BRACKET – FOR LARGE MONITORS UP TO 86″

We recommend the MBX-6586 outdoor TV mounting bracket to mount large TV’s and monitors. Use this outdoor TV mounting bracket for monitors up to 86″. Additionally, this flat-mount wall mount bracket offers safety, simplicity, versatility and stability in one easy-to-install design. It is made from heavy gauge steel, with a corrosion-resistant coating, coupled with stainless steel hardware, to function in nearly any outdoor environment. Our MBX-6586 mount includes kickstands, and also pull-cords which are locked with security screws. For instance, only those with a special tool can access the display. With a wind rating of up to 90 mph, this mount is ideal for patios, bars, public areas, industrial wash-down environments, outdoor signage, stadiums and more.

Visit this link to learn more about VESA standards for Mounting brackets for further clarification. Most importantly, we recommend this waterproof outdoor TV mount because of its durable qualities for our large monitors and touchscreens. Corrosion Resistant mount wall brackets are highly recommended for Outdoors. Maximum load capacity is 200 lbs(91 kg).
